

2009 Women Build Registration Form

*"Never doubt that a small group of thoughtful concerned citizens can change the world, indeed it is the only thing that ever has."
Margaret Mead, Anthropologist*

Women Build brings together women from an array of political, humanitarian and business backgrounds to actively address the problem of families living in poverty. Women from all walks of life will join together to create a legacy for combating substandard living conditions for low-income families by working side by side with each other and a Habitat partner family to build their home.

The March 20th **Hats Off to Women** Luncheon to benefit the 2008 Women Build was a huge success! We were able to raise \$85,000 so far toward the home we are building for a single mother in Carlsbad. Please join the 2009 Honorary Committee in support of the San Diego Habitat for Humanity Women Build.

Nancy Graham, President & COO, Centre City Development Corp
