NEWS RELEASE

For Immediate Release

San Diego Habitat for Humanity will hold Orientation to Rebuild Homes for Victims of Firestorm

***Uninsured and Severely Underinsured Fire Victims are Invited to San
Diego Habitat for Humanity Office for Fire Rebuild Orientation***

(San Diego, November 19, 2007 at 6:00pm): San Diego Habitat for Humanity plans to re-build homes and designate families for existing Habitat for Humanity projects for those who have suffered losses by the recent fires who meet program requirements to become Habitat partner families. The effort will serve those who were uninsured or substantially underinsured and who are having difficulty obtaining the necessary financing to rebuild.

San Diego Habitat for Humanity will hold a fire-rebuild orientation to inform fire victims about the rebuild process and select families. **The orientation will take place Monday, November 19 at 6:00pm in the San Diego Habitat for Humanity ReStore located at 10222 San Diego Mission Road, San Diego, 92108.**

San Diego Habitat for Humanity selects families for re-build based on three criteria: demonstrated need for improved housing, willingness to partner with San Diego Habitat for Humanity, and an ability to pay a monthly mortgage.

SDHFH rebuilt 21 homes for the victims of the 2003 Wildfires and offered discounted building materials to hundreds of families who lost their homes in the fires from the Habitat for Humanity ReStore. SDHFH is here to help in rebuilding efforts once again.

Donations are being accepted for the Firestorm Disaster Rebuild Fund on-line at www.sdhfh.org, or at the San Diego Habitat for Humanity office located at 10222 San Diego Mission Rd, San Diego, CA 92108 or by calling 619-283-HOME.
